BLAKE FADEM

GIS LEAD ANALYST

Blake Fadem

3102 Maple Avenue
Suite 500
Dallas, Texas 75201
bfadem@weitzmangroup.com
T: 214.720.3648

PROFESSIONAL BACKGROUND

Blake Fadem is GIS Lead Analyst for Weitzman. Fadem supports the firm's brokerage, property management, asset management and development services team with mapping and aerial imagery marketing materials, using a variety of state-of-the-art mapping and demographic platforms. Prior to joining Weitzman, Fadem was Lead Marketing Analyst with The Woodmont Company, where he managed a team to ensure all marketing needs for retail brokers within this commercial real estate company were satisfied through use of desktop publishing, GIS software and market research.

ORGANIZATIONS

Fadem is a member of the North Texas Real Estate Research Council.

EDUCATION

Fadem received a Bachelor of Science degree in Geography/Environmental Planning from Towson University in Towson, Maryland, and an Associate of Arts degree from Camden County College in Blackwood, New Jersey.
